HORSEHEADS HIGH SCHOOL

HORSEHEADS, NEW YORK

VOLUME XXXVI

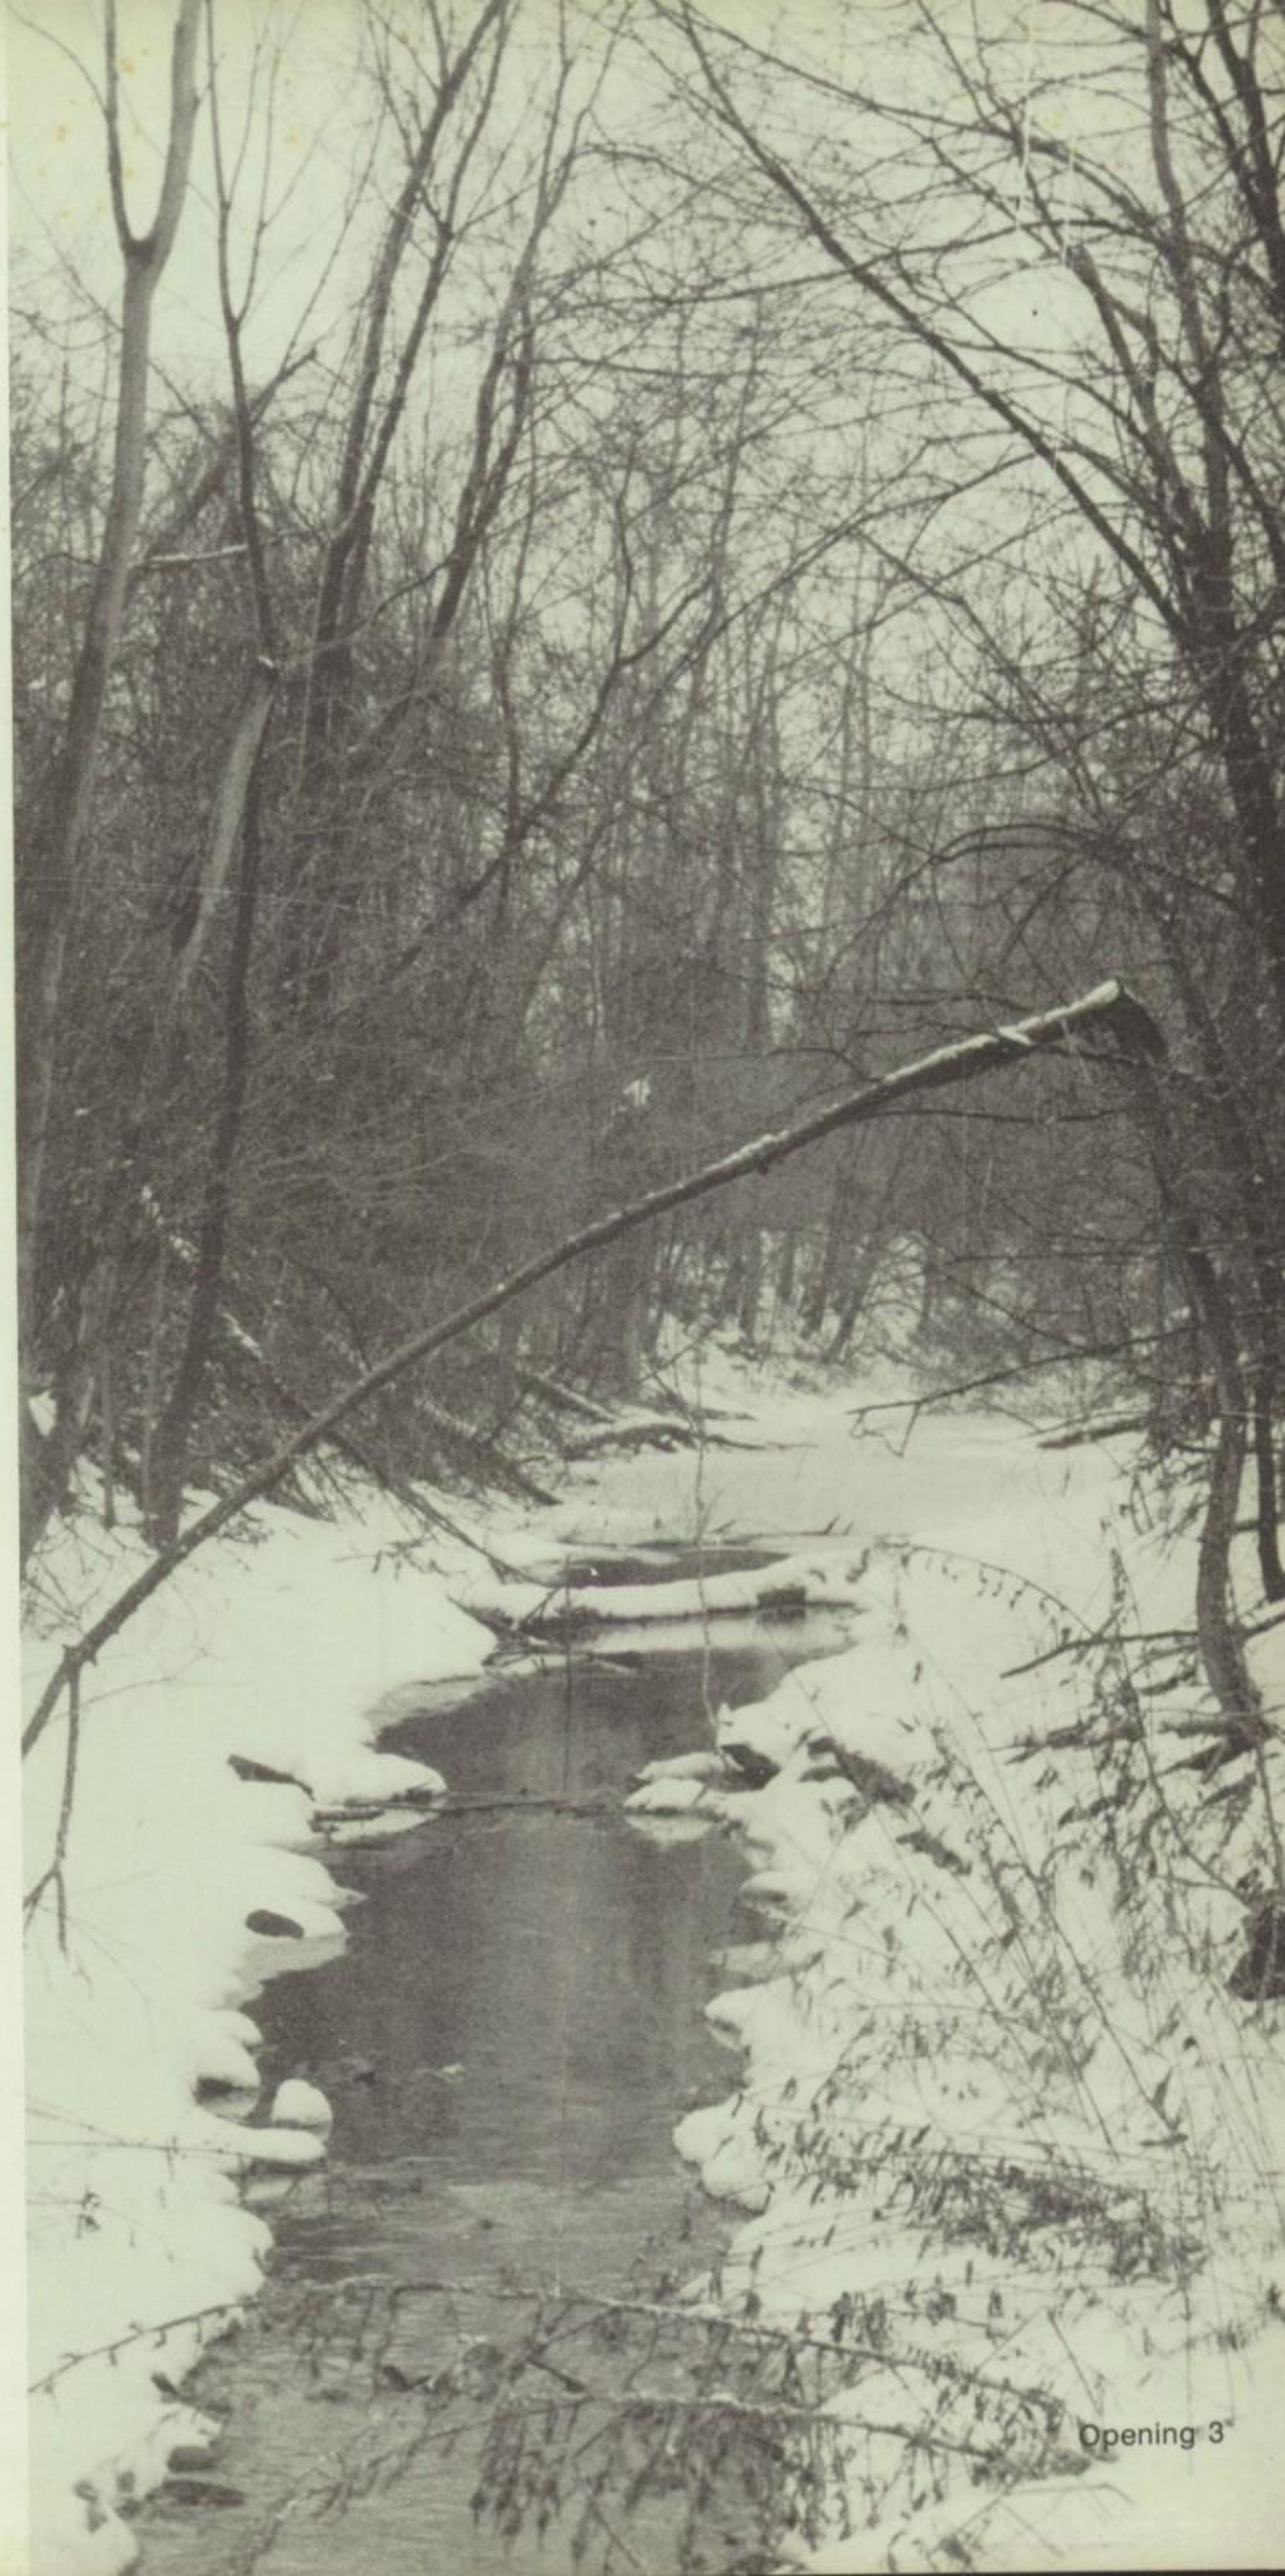
Yesterday
Today
Tomorrow

As we look back on all the Yesterdays, Little did we know that the first days of school would carry us this far. From the beginning of childhood we slowly climbed the ladder of life. We tasted fantasy with our playmates; which sourly turned to reality. We believed in today and tomorrow. Never really remembering Yesterday. The security we felt lingered slowly and surely, warming our inner selves with contentment. We shared laughter and tears, knowledge and truth, our beliefs and disbeliefs. And yet day by day, year after year, we not only gained experience and responsibility, but also maturity . . .

The fullness of growth in our minds, our bodies, and in our souls and with this newfound maturity our lives have now suddenly become threatened by unpredictable Todays and Tomorrows. The winsome and carefree days of playtime innocence have now left us forever. We may look back, reminisce, and cherish the fragile memories that have been sweetened through the ages of days past. And then we will remember back on the times when we lived for those Todays and Tomorrows;

Thinking how important growing-up meant to us;

Putting Yesterday away.



Time goes ever so swiftly.
Why then, must we always live
in the Past or Future?
Whatever happened, my friend,
to the time we call
'Now'?

Today has finally come.
For many of us it has been long awaited
and much anticipated, but well worth the wait.
The sun may not shine and the sky may not
be blue, but for each of us the sun will shine
in our own special way.
Make the most of this day.
For it is born then dies in just a short time.
Say a prayer of Thanks for all the Yesterdays;
Whether they be good or bad; and
Pray for all the Tomorrows yet to be seen.

You may give them your love,
but not your thoughts,
for they have their own thoughts.
You may house their bodies,
but not their souls,
for their souls dwell in the
House of Tomorrow,
which you can not visit,
not even in your dreams.

STUDENT LIFE

Spring Arts Festival

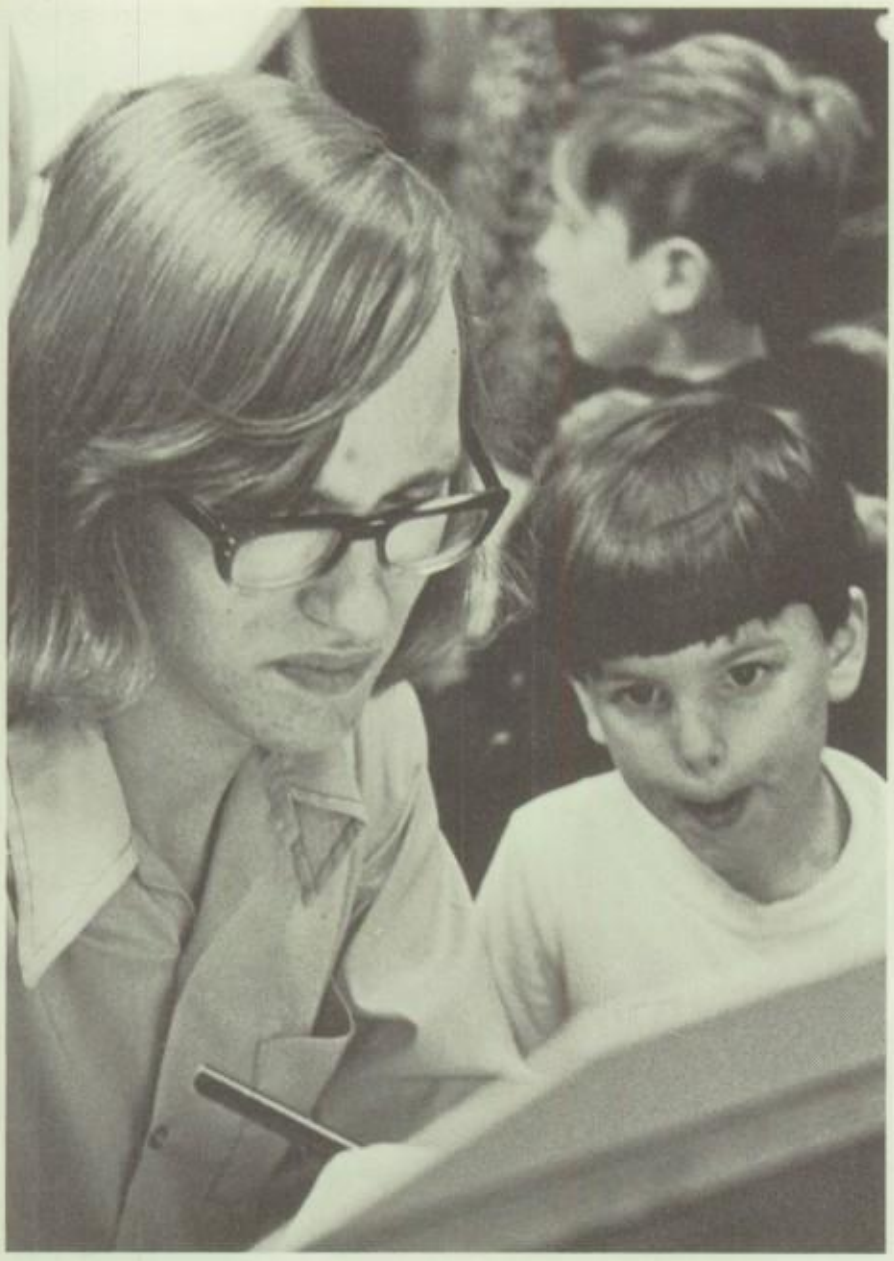
Left: A display of the many artworks.

Above: Ceramics of many types are displayed.

Below: WOW's provide entertainment: Jeff Wilber, Carol Garlick, Jeannette Wilson.

The Spring Arts Festival is an annual display of artwork. Students from HHDS Central School District display their artistic talent of all types. Demonstrations are given showing different types of art, all ages are involved.

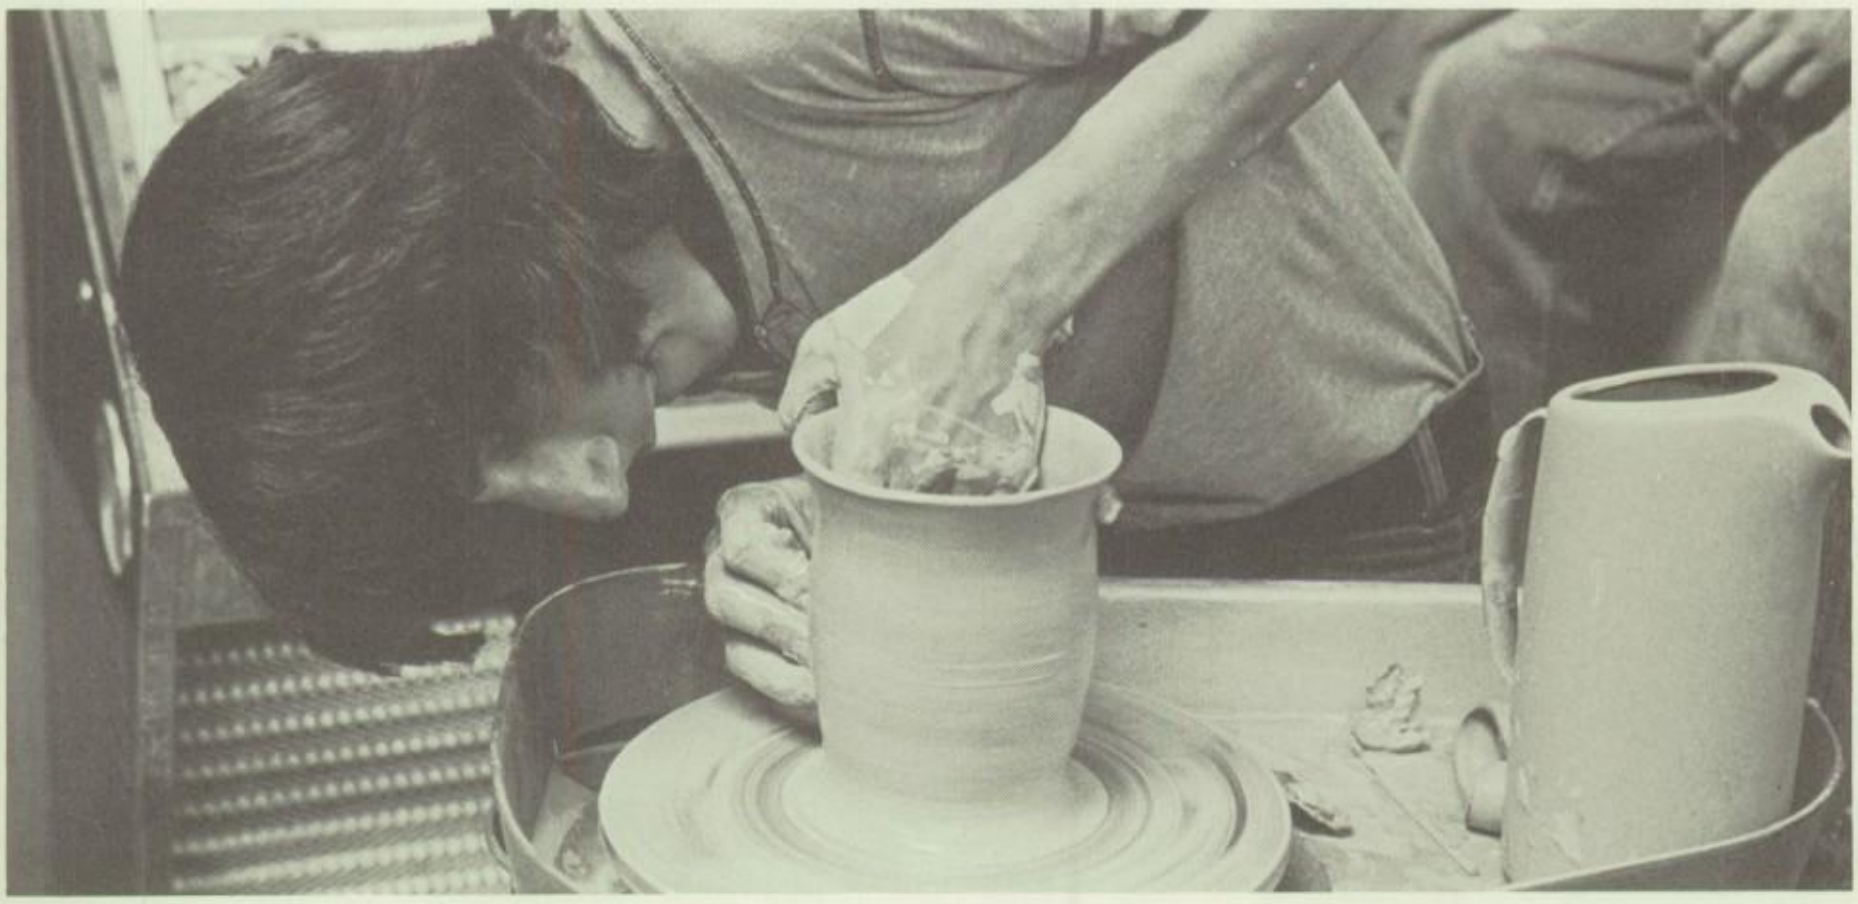
A fashion show is held by Mrs. Warter's Home Ec Class. During the show refreshments were served and entertainment was provided.



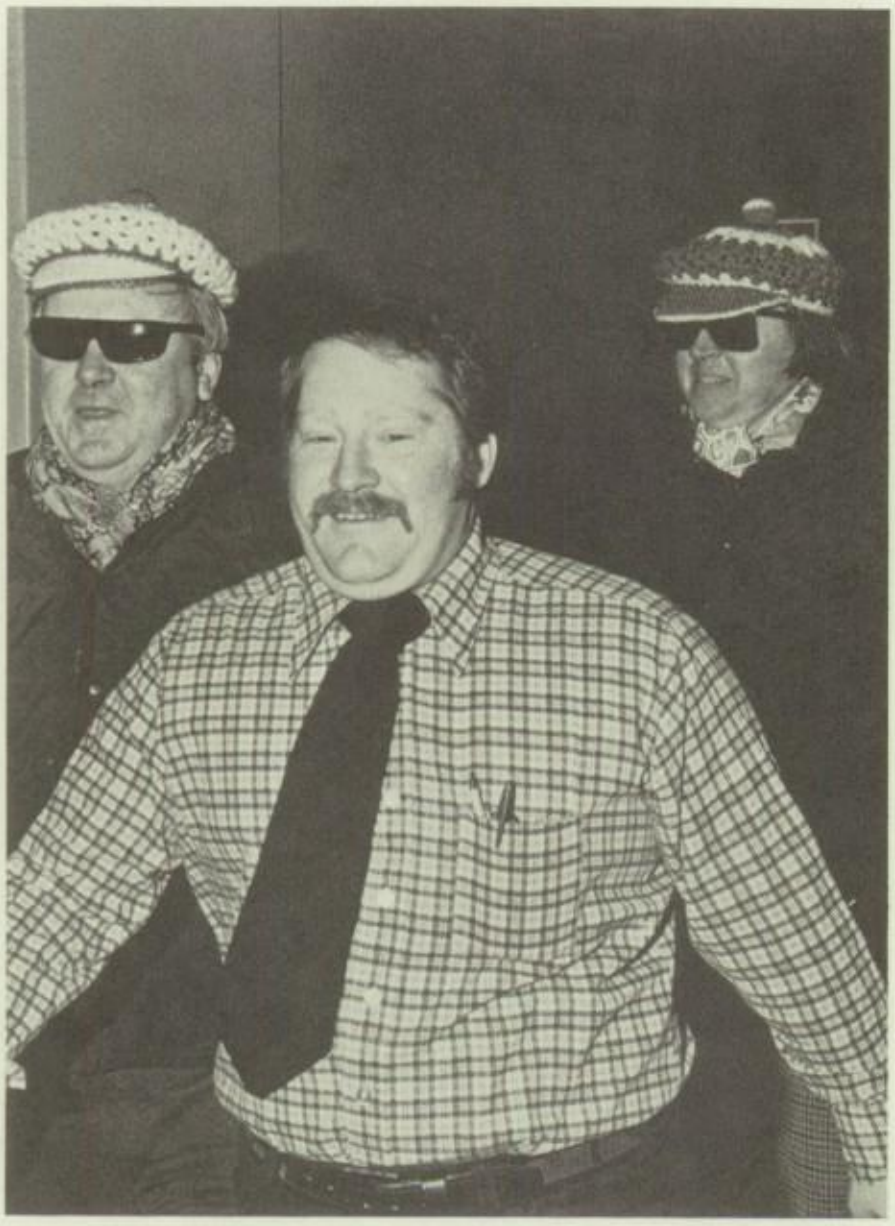
Left: An innocent by-stander watches Mark Lawson drawing.

Above: Demonstrating how to make a face mold is Pat DeLance.

Below: Working on the potter's wheel is Joe Chiarlo.



Cultural Enrichment



Left: Here are the two celebrities (from left: Mr. Callahan and Mr. Horigan) and their manager (in front: Mr. Thomas).

Right: Mr. Horigan and Mr. Callahan soft shoeing to an Irish song.

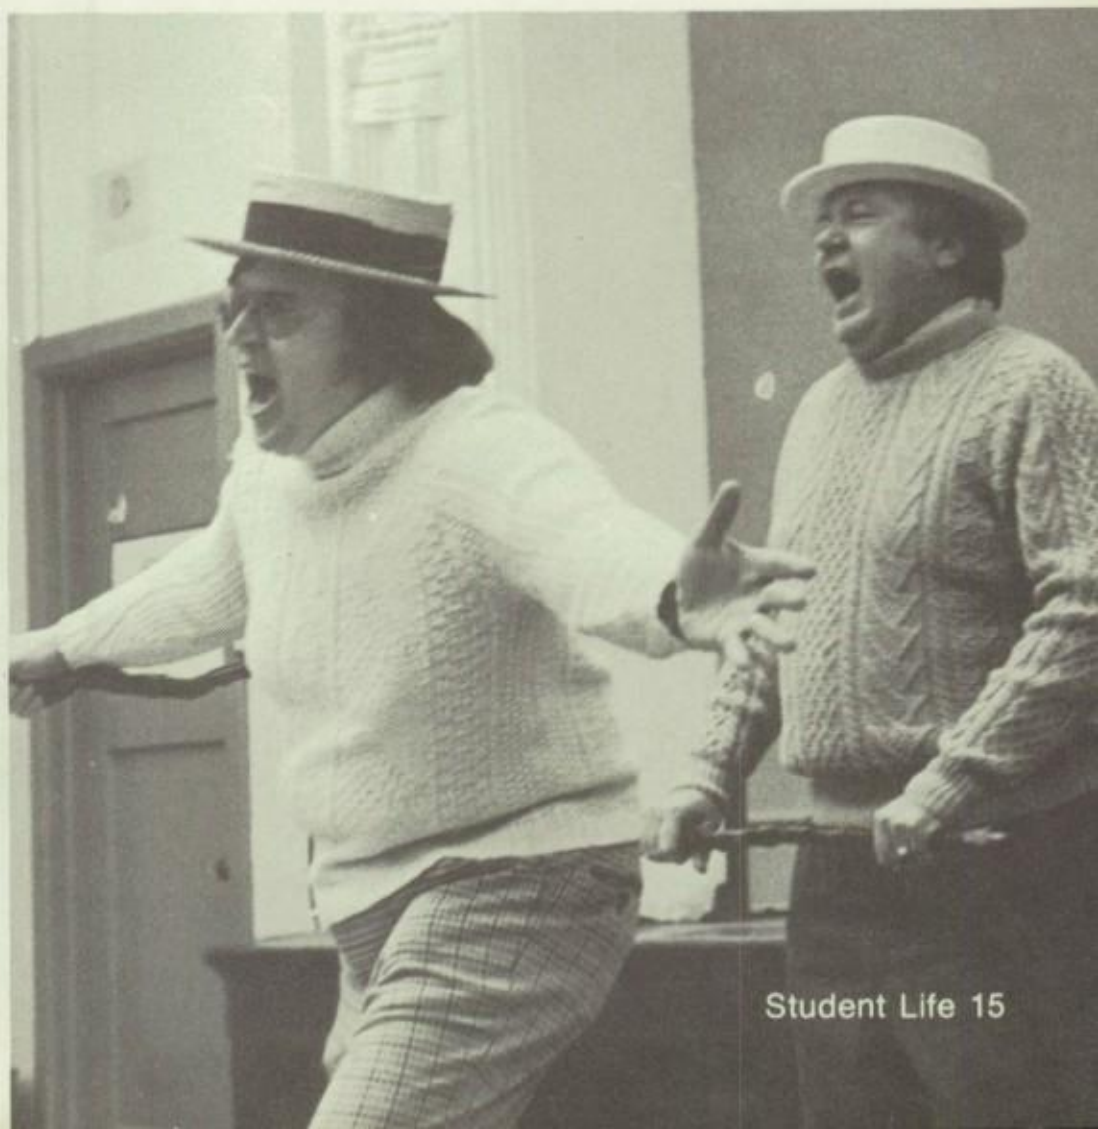
Bottom: Students join in the sing-a-long.

This has been an annual program for five years. As most of you know Mr. Callahan and Mr. Horigan amid thunderous applause, stunned the show business world with their fourth annual Irish Cultural Enrichment Program. How did this program begin? They started out by bringing their classes together and holding a presentation, singing a few Irish songs. When it first began the presentation was six periods. Then it was held for only the lunch periods. For reasons beyond our control this educational presentation has been deported back to Ireland by this administration. This has not been received well by the students.

Top: Students join in the sing-a-long.

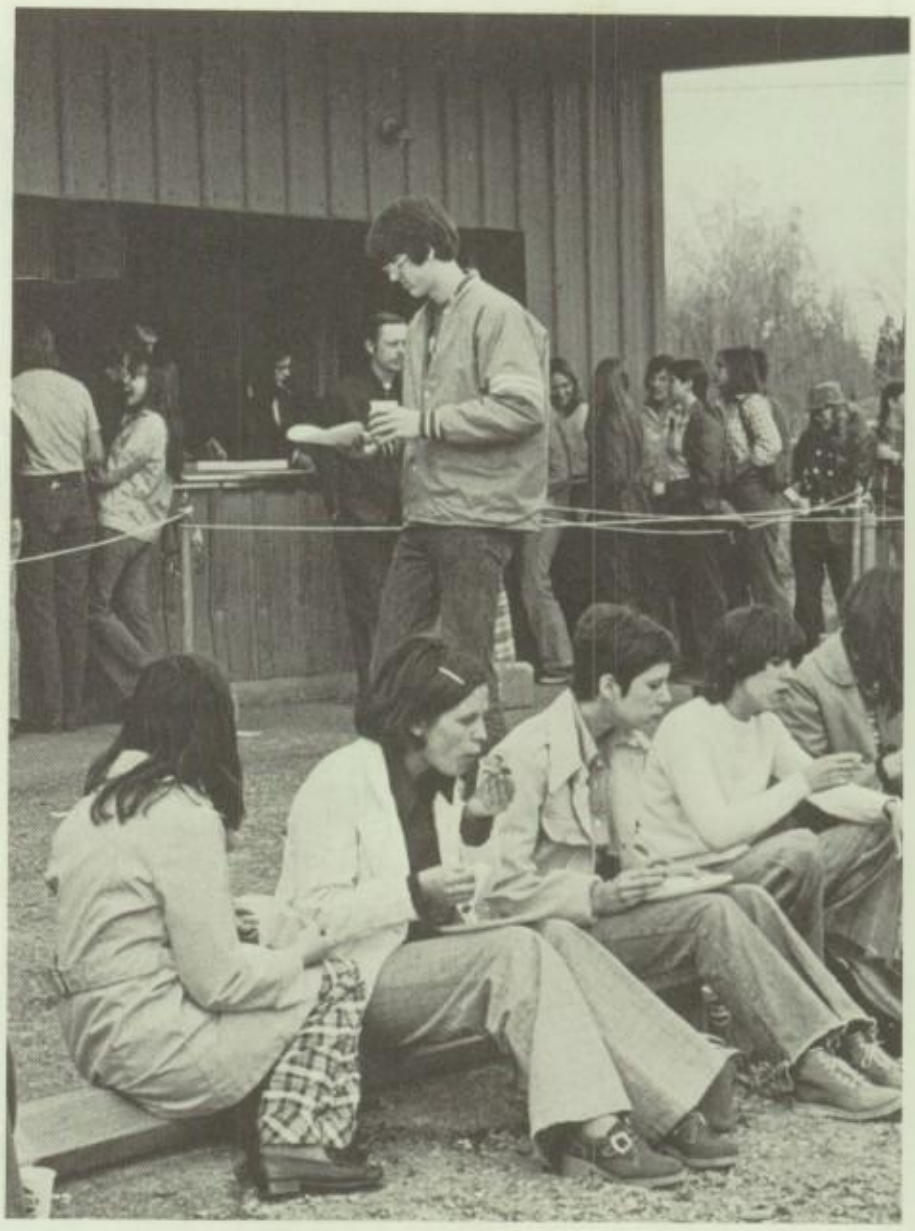
Below: Callahan and Horigan demonstrate their Irish talent.

Left: Among all the fans is Mr. Garlington taping the program.



Junior Day

Junior Day will be remembered as a combination gym class-lunch period. Spanning from 4th to 6th period, the juniors kept themselves occupied by jumping rope, having chicken fights and numerous other activities. The lunch of pizza, potato salad, and coke filled the stomachs of everyone attending — even those who seemed to have an uncanny amount of tickets when each person was given only two. Last, but not least, we'd like to thank those sophomores who dropped in on the festivities.



Left: Mr. Hembrooke and Mr. Saxe help with the Pizza.

Above: Juniors grabbing the "delicious" grub.

Below: Junior Day cars lined up for judging.

Above: Junior Day gave everyone a chance to play round-up.

Below: A little bit of tug-of-war after lunch to settle our stomachs.

Right: Katrina Strait, Patty Campbell, and Diane Knispel fight it out with the help of Jeff Wilber and Steve Ormsby.

Junior Prom

The class of '75's Junior Prom (The Way We Were) was held on April 27, 1974 at the Elmira Heights American Legion. Beside the fact that the main room was crowded and hot, the prom was a success and provided a great evening for all who wanted it to be so. Smooth music was provided by Moss, a three-piece group from Ithaca. Entertainment during Moss' breaks were divided between Wally Masney, then a Senior, and another three-piece band called WOW, all of whom were juniors (Jeannette Wilson, Carol Garlick, and Jeff Wilber).

Denice Heller was chosen as queen with Joni Thompson, Donna Abrunzo and Sue Nist in her court. From Gary Allen, Gary Tremaine, Kevin Bruns and Tom Nist, Kevin Bruns was chosen as king.

Senior Day

Above: Singing the Alma Mater are the participants of the Senior Spectacular.

Upper Right: The first event of Senior Day was a breakfast, served by the Cafeteria.

Right: The Senior buffet was held at the Pour House.

Below: Marching to the "Bridge Over the River Kwai" are the "Whistlers".

Above: The '74 jocks try their hand at ballet.

Below: The honor students, ready for introduction, at the honor assembly.

Right: The seniors hula to a little Hawaiian music in an act called "Spike Jones".

Lower Left: The Senior girls did their own act, called "The Pillows".

Senior Day was a little different last year, with an added attraction for the sophomores and juniors. The class of '74 was the first class with the guts to put on a show, which they called the Senior Spectacular. It took most of us by surprise, to see jocks dressed up in tutus and hula skirts. It's not clear whether the Class of '75 plans to top this spectacle — if they can.

Plays

Upper Left: Tom Mailey strips down during "The Fantastiks".

Top: A card game is one of the scenes from the "Odd Couple" which was produced in October.

Above: The cast from "The Night Thoreau Spent In Jail".

Far Left: A scene from the "Odd Couple" with Fred Hartman as Oscar.

Above Right: Diane Sisler appearing as a young actress searching for a job as a singer and dancer.

Below: Diane is crowned while the other finalists look on.

The Junior Miss Pageant was held this year on Sat. night, Nov. 9, 1974, with newscaster Bruce Flaherty as master of ceremonies. The entries were judged in Creative and Performing Arts, Poise, and Youth Fitness. Each girl performed a routine for the Performing Arts judging, and modeled a favorite outfit illustrating a favorite pastime for the poise judging. The girls were asked questions, such as personal feelings and motivation, and were judged on how well they answered their question. Also during the pageant the contestants performed a fitness routine. The climax of the night came when Diane Sisler, of Horseheads, was crowned Chemung County Junior Miss 1974.

Above: Diane is crowned by last year's Chemung County Junior Miss.

Far Left: Carol Scarborough appears on stage.

Left: Diane Sisler waits for the verdict.

Below: Chemung County Junior Miss 1974, Diane Sisler.

Homecoming

Homecoming '74 (Nov. 2, 1974) began with EFA beating the Blue Raiders 14-10. The Homecoming Queen candidates were Denice Heller, Cindy Wheat, Karen Said, Joni Thompson, and Lynn Butler. Karen Said was named queen during half-time of the game. The Homecoming dance was that night in the school cafeteria. Everyone danced to the music of Clockwork. Karen Said was crowned by last year's queen Melanie Farr.

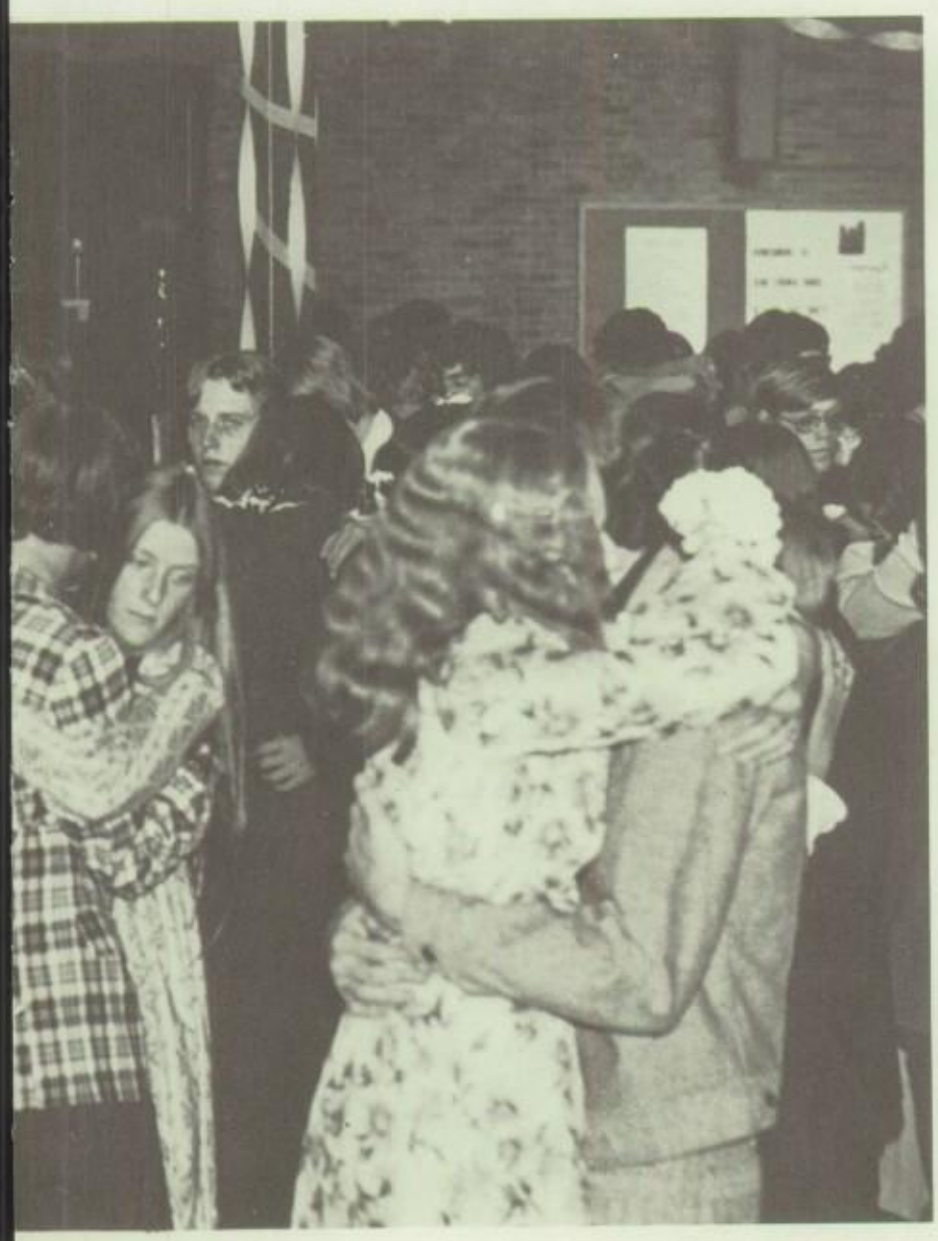
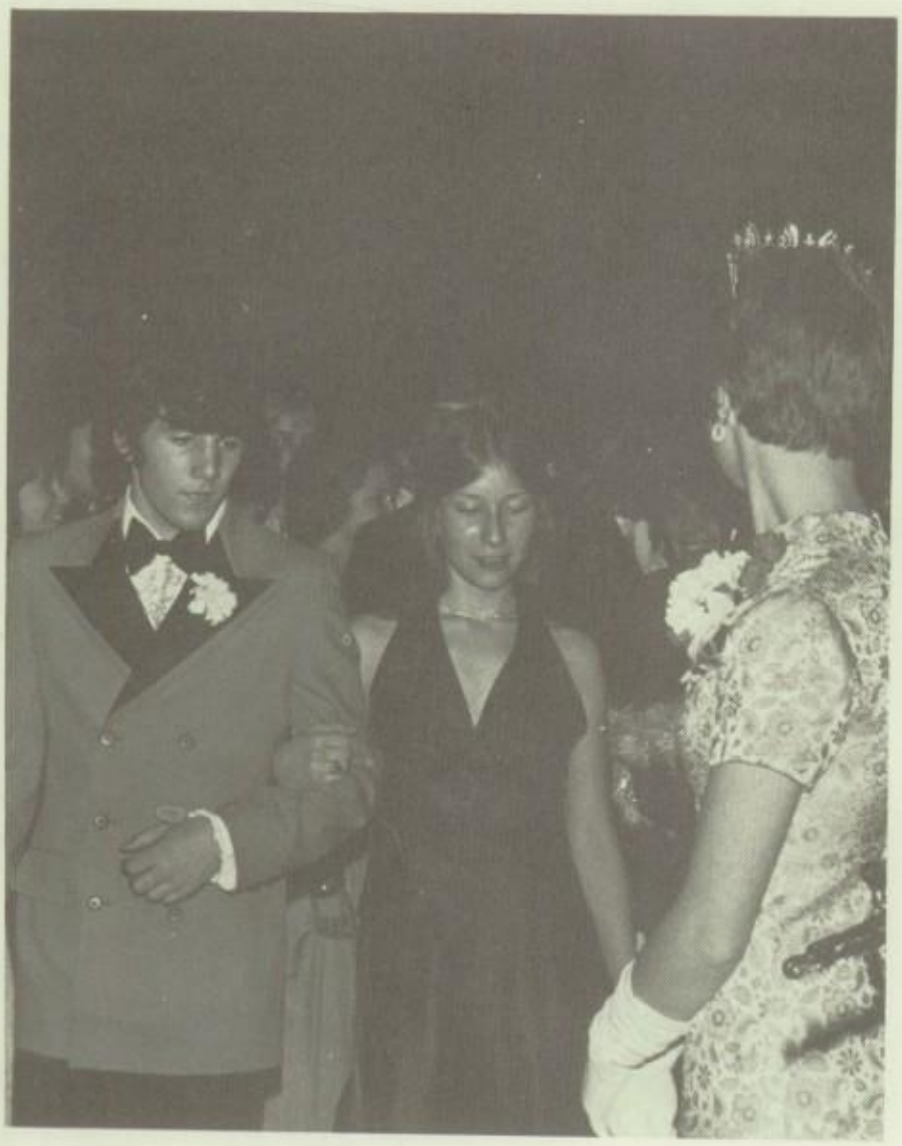
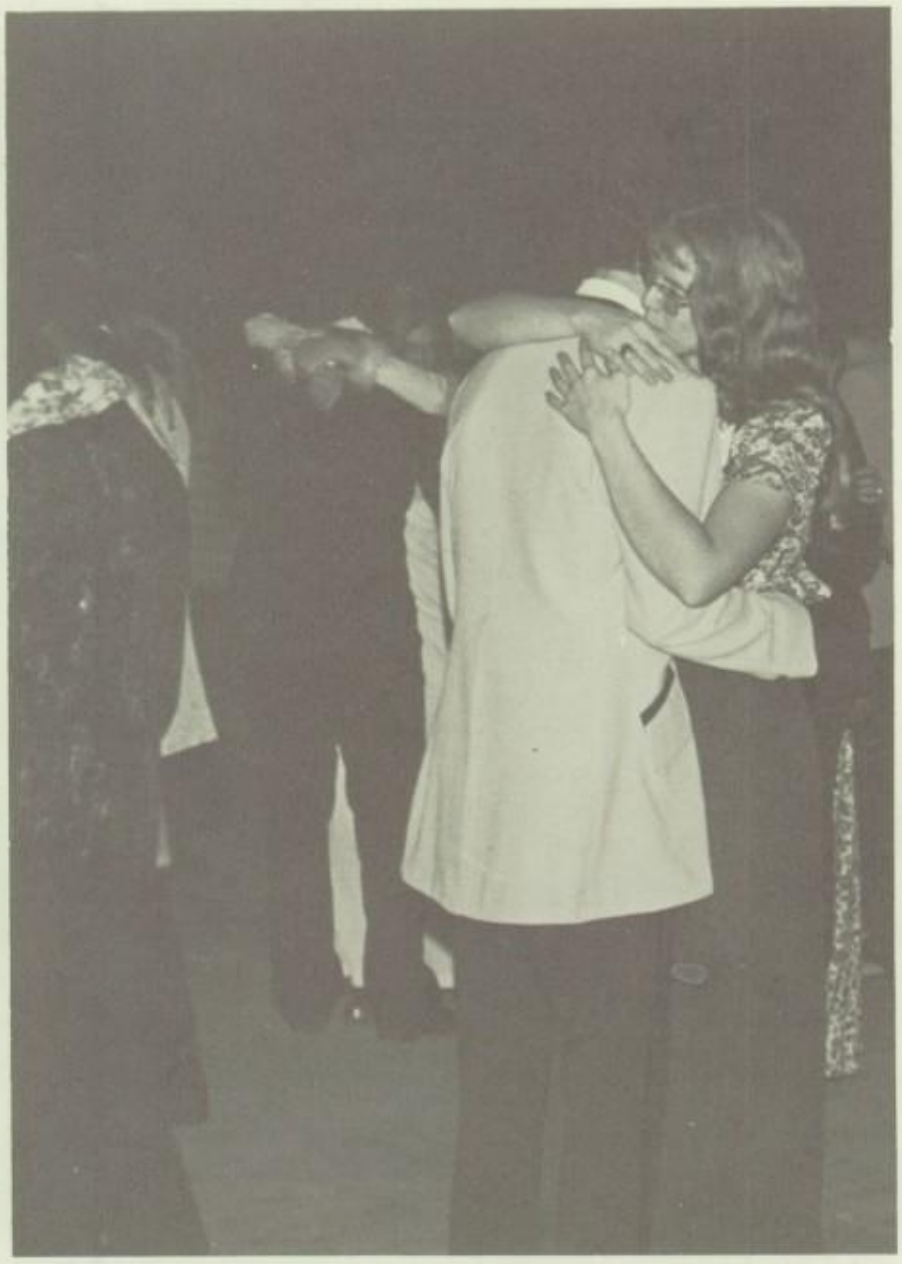
Below: Lynn and Tad dance to Clockwork.



Senior Ball
"YESTERDAY"





The Class of 1975 held their Senior Ball on December 7, 1974 at the Elmira College Domes. From 7-9 a dinner of prime ribs was served with entertainment provided by Dave Kelley on the organ. Dancing was from 9-1 with the coronation of Margaret Ball and Gene Palmer at 12.

Music was provided by Glass Prism with frequent performances by the senior class. Even though it was pouring out, it didn't dampen the spirits of the dance. A good time was had by all—especially afterwards, as shown by the fact no-one could stay awake Monday during school.

Upper Left: Class President, Kevin Bruns, prepares to give Margaret Ball, Senior Ball Queen, her roses while Gene Palmer, chosen King, looks on.

Upper Right: A pleasant surprise came when Santa Claus passed out candy canes to all the girls.

Lower Left: Gene Palmer escorts the first of the Queen's court, Joni Thompson, in, while the 1973 Queen, Bridget Teiffer looks on.

Bottom Middle: Some sit at their tables while the dancing goes on.

Above Left: Diane Knispel and Willie Thompson display their skill at dancing.

Above Right: Dancing goes on while Glass Prism plays "Colour My World".

$ for Scholars Telethon

In an effort to raise money for the area's Dollars for Scholars program, a telethon was held in the EFA auditorium in June of 1974. Most area schools participated by sending comedy acts, dancers, soloists, musical groups, and choirs. Horseheads was given one hour (as was every school) to present their talent. Many students from our school helped out. Wally Masney soloed with his guitar, the Chamber Singers sang, the three-piece group WOW played, the four leads from the Greenroom Players' production "The Wizard of Oz" sang a song from the play. Also, Diane Sisler, Carol Garlick, and Karen Said did an Andrews sisters routine. Finally, a group of guys from the Senior Spectacular did a strange, but hilarious rendition of "Bridge Over the River Kwai". Horseheads was one of the big money makers.

Upper Right: Because of a $25 payment by Mrs. Hembrooke, Mr. Hembrooke receives a pie in the face.

Lower Left: Stan Douglass readies for his pie.

Lower Right: Singing a production number from the "Wizard of Oz" are Jeff Wilber, Larry Turner, Linda Carbaugh, and Mike Messmer.

Above: Mr. Rae and the Chamber Singers.

Left: Marching to a tune from "Bridge Over River Kwai" are the Whistlers from the Senior Spectacular.

Below: Entertaining the audience are Carol Garlick on guitar, Jeannette Wilson on piano, and Jeff Wilber.

HHDS. finished first in the STC.

The 1974 Junior Varsity baseball team, with an outstanding record of 10-2, captured first place in the STC. Even though they suffered two defeats, the team held their number one position. Coach Josbeno is hoping for a strong season this year, with a number of freshmen coming up.

The Horseheads track team will have their work cut out for them this season trying to beat last year's record of 5 and 4, and placing fourth in the STC. The team will be without two outstanding seniors, Don and Doug Briggs, who dominated the area in the field events, and saw state competition last season. Eighteen Horseheads track members also entered into sectional competition. This year, the team can look forward to another promising season.

The J.V. Football Team had a good season, with a 5-2-1 record. The coaches were very pleased with their team, but of course had some criticism. The team had a slow start in the season, but finally decided they had to do some work, and came on strong in the end.

The coaching staff feels that the 1974 season could have been one of the best ever at HHDS, if we wouldn't have had so many turnovers during important drives. Still the 5-3-1 record is a winning one for the second year in a row and has helped to establish a winning tradition. While the offense had problems, the defense ended up the second best in the STC.

The Blue Raiders are making their presence known in the STC, and should be definite contenders for league titles in the years to come.

The Varsity Soccer team, for the first time in its history, had a winning season with a record of 8-6-1. This is the most wins ever by a Horseheads team. Also records were broken for the most goals in a season with 30 and the most scored in a game, 5.

The team had many leaders who contributed to the successful season. Among them were Tom Dunbar who led all scorers with 12 goals (another record). With the aid of Gary Pelot, Jeff Tarkett, and Jim Butler as fullbacks, the defense kept the opposing teams scores to a minimum. The '74 team was a real team of talent, good sportsmanship and real determination.

This was the first year HHS has participated in JV competition. Many of the boys had never played organized soccer, but through hard work, and a desire to hustle, the JV squad compiled a record of 7-6-1. Outstanding offensive play was provided by Scott Keith—5 goals and 1 assist, Jon Dulude—4 goals and 1 assist, and Pete Cary—7 goals and 1 assist.

Missing from the team picture are Bill Benedek and Vern Adam.

The Horseheads Cross Country team had a good season, ending with a record of 4-5. The team lost some very close meets, however, and was plagued by injuries. The JV team this year was very strong, so a good season next year is probable. At the Johnson City Invitational, Horseheads finished 6 out of 12 teams, with six runners in the top 50 places. Horseheads put on an excellent showing at the Waverly Invitational. In the Varsity race, Cliff Ferris took first place, and Horseheads finished 3 out of 9 teams. In the JV race, Horseheads finished 2 out of the 9 teams.

The 1974 Horseheads Golf team, with a record of 8-4, and going 5-3 in league competition took fourth place in the STC. Losing only two seniors, the team retains most of their starting five. Mr. Merritt was pleased with his team, and expects them to have a good shot at the championship next year. Captain Joe Sindelar set a new HHS record, with a fantastic 4 under par, 68. With mostly sophomores making up the team, they should have promising seasons for years to come.

Congratulations to the girl's swim team for a second consecutive year of being undefeated. With a record of 15-0, and 29-0 over a two year period, they finished their season in first place in the STC standings. A fine effort was put forth by all the girls on the team. The two coaches, Mrs. Cunningham and Pete Warren should be greatly commended for the fine work done. It looks as though a very promising season is in store for next year.

In Girls' Tennis this year, the games were so close we could have easily had an 8-0 record if we had only tried a little harder. Coach Wipfler was very pleased with his girls, and looks forward to next year's competition. This was the first year for girls' tennis at Horseheads. It was another great year for the Blue Raider matmen. Our wrestlers were undefeated once again and ran their win streak to 33 straight victories. On top of this, they captured their second consecutive S.T.C. title, and won the EFA Christmas Tournament. After a season like this, it was no surprise when the New York Sportswriters Association ranked Horseheads 13th in the state. The seniors that were the backbone of the team had a total record of 121 wins to 19 losses. Two seniors, Pete Rossi, and Gene Palmer, never lost a league match.

The Girl's Gymnastics Team had its first of competition this year and shows a great deal of promise for future years. Much of the team was still in Junior High and many of them did very well in competition. Ninth grader, Karen Kline won several firsts in balance beam and floor exercise. Linda Miller, an eighth grader, was a very successful competitor until sidelined by an ankle injury. Senior Sue Bowlby scored several firsts in vaulting, while Karen Said was a varsity competitor in both balance beam and floor exercise. Karen and Sue were the team captains.

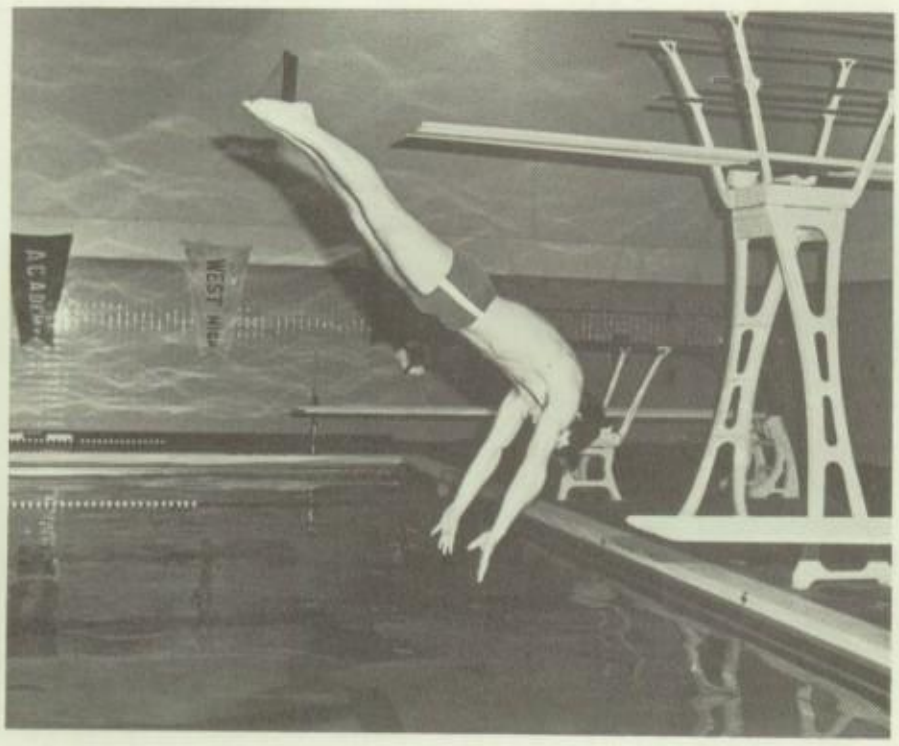
The Boys Swim Team finished first in the S.T.C. for the third year in a row. This season they had an undefeated record of 17-0, and a combined record of 54-2 in the past three years. An outstanding effort was put forth by all the swimmers and their two coaches. All have worked hard for the several pool and team records achieved through the past season. Much continuous success is wished to all team members in the future.



Both Coaches Agree their team is no. 1.

At the beginning of the season it looked bad for HHS, dropping their first two games, but it didn't last long. Horseheads turned on, taking first place in the STC, and holding that lead the rest of the season. Winning and losing games by very close scores, made the games exciting for everyone. As of the time of this writing (Feb. 14) it looks as if Coach Chamberlain will have his long awaited championship team.

The National Honor Society has served for over fifty years to bring the accomplishments of outstanding high school students to the attention of their classmates, their parents, their communities, and the colleges they plan to attend. The chapters in nearly 14,500 secondary schools strive to give meaning to the Society's dedication to character, scholarship, leadership, and service.

To be a member of National Honor Society, one must have a minimum of a 90 average. Then the candidate must be screened by a faculty committee as to activities, leadership, scholarship, and character. The inducting is done in the spring, with all members of the Society attending.

This year the Society has set up a tutoring service. They are also studying their methods of selecting candidates, to find different ways of getting new members.

Youth County is a day and a half affair, held last year at the Elmira Heights Legion. Students from all area schools attend, with Horseheads having the largest attendance last year. Youth County consists of organizing all students into three political parties and into various townships. The first day candidates are nominated for offices and party platforms are set up. On the second day speeches are heard and voting takes place. Horseheads did very well in the elections, bringing back more offices than any other school.

Row 3: Dave Williamson, Steve Buck, Jim Culberson, Howard Kanter, Dave Boor, Charles Olin, Mike Petit, Duane Limbacher, Stuart Wilde, Dave Canedy, and Jerry Pease.

Corning Engineering Day consists of students from all area schools visiting the various plants in the area for information on engineering-orientated careers. Students visit Corning Glass, Thatchers Glass, Scheitzer Aircraft, Westinghouse, the A&P Plant, and Hickling Station. Lunch was provided by the Elks Club in Horseheads, where various speakers talked on engineering careers.

BOYS' & GIRLS' STATE

In Front: Kevin Bruns. In Back: Bill Benedek, Mike Novakowski, Martha Minier, and Roger Herman. In Tree: Danny Dunbeck.

"Mr. Chairman, the delegate from Drago City wishes to be recognized."

"May I have your attention please! May I have your attention please! Would the sergeant of arms please bring order to this convention . . ."

"Shut up!"

"Thank you. The chair recognizes the delegate from Drago City."

"Mr. Chairman, Drago City nominates its favorite son, Joe Smith, for Governor of Boys' State."

One thousand young men and women gathered at Morrisville Ag. & Tech. for an education in politics, rhetoric, and government. What precedes is an accurate account of one of many phases of Boys' State—the state nominating convention. In actuality that's the finale after four days of nominating and electing mayors, district attorneys, county officials, city councilmen, and dog catchers. Politics at the grassroots level.

Besides the "hup one, hup two" of the Marines and the inescapable parliamentary procedure, most guys were pleased with their one week stay. If you weren't passing laws in the legislature, taking a bar exam, or broadcasting on Boys' State radio, you could always play basketball, ping-pong, tennis, or water polo. Some, including our candidate for Governor, even ventured into town for the girls and the beer—our own little Watergate.

It must not beforgotten that new and friendly relationships were formed between the guys, advisers, and Marines.

As the week came to a close, we all anxiously looked forward to home. But yet, we knew we would miss this worthwhile experience.

International Language Club is made up of students currently taking their second, third, or fourth year of a particular foreign language. Their various activities are funded by a stationery sale held in the fall and an Easter candy sale held in the spring.

During the year, the club participated at Corning's Wine Festival and held a Christmas party. They also sponsored three foreign exchange students from South America to come to the United States and stay as guests of Horseheads High School students. Hopefully, this foreign exchange program can be expanded in the upcoming years.

The club is now making plans for various foreign culture days and a possible foreign language week. They are also planning excursions to area restaurants, performances, etc. that might pertain to a certain foreign culture.

What is Latin Club? In Horseheads this club is known mostly for its fund raising events: successful dances and candy sales. But Latin Club does more than raise money. Every year it has a Film Festival, Saturnalia, a Roman Banquet and a state and national convention. The conventions are the highlight of the Latin Clubers' year. The HHS delegation, the largest in the state, for years consistently brings home more awards than any other chapter in the state. HHS comes home from conventions loaded with ribbons and trophies from academic contests, sports events, chariot races, and costume and scrapbook competition.

The members feel that their success can be contributed to their hardworking advisers, Mrs. Conklin and Mrs. Jeziorski. Look for enthusiastic Latin Clubers next year when the National Convention is in our own home state.

Last spring the Greenroom Players produced THE NIGHT THOREAU SPENT IN JAIL and a musical comedy, THE FANTASTICKS. Over the summer two more plays were produced, YOU'RE A GOOD MAN CHARLIE BROWN and ANGEL STREET.

The Greenroom Players began the school year with Neil Simon's comedy THE ODD COUPLE. Directed by M.F. Baker, the play was a huge success. Following right along were two one-act plays directed by Gary and Larry Turner: a musical melodrama, THE PERILS OF PURITY and a satirical comedy, THE BALD SOPRANO.

Two more plays followed in February and May, directed by Ms. Geer and Ms. Sanders. Other activities included speech competition and participation in a three day drama festival at Alfred Ag. and Tech. In June a Mimi Awards banquet was held, at which time the Tim Howell Memorial Scholarship Award was given as well as other various awards in dramatic achievement.

Forensic Society has recently merged with the Greenroom Players, dealing mainly with public speaking, debate, oral interpretation, and Readers' Theatre. Several awards in oral interpretation were won at Mansfield State's speech competition in the spring. Forensic also participated at Cortland and held its own competition in January, involving schools from Athens, Binghamton, and Cortland. Their own awards are given at the end of the year at the Mimi Awards Banquet.

The Future Secretaries Clubs of Horseheads, Southside, Notre Dame, and Elmira Free Academy are sponsored by the Glider Chapter of the National Secretaries Association. These clubs meet individually and also jointly once a month. Programs are planned which will give the members new ideas and insights into the secretarial field, and an opportunity to meet professional business women.

Our programs include a candlelight installation tea in November, a Christmas party in December, and a Miss FSA Contest in January. The spring programs are climaxed by a fashion show in March and a banquet in May.

We welcome any student who is taking a business course into our organization.

Another year, another school newspaper. In previous years there was Horse Sense, The Hegelian, and Heads. This year the high school reads Antithesis. A helpful adviser (Miss Snyder), a couple of rookie co-editors, a handful of hard workers on the staff, and a motto, (the fusing of two ideas may be better than either of the originals) made up this brand new paper. Antithesis tried to be what it planned to be, a school newspaper that not only reported on school functions, but tried to look at both sides of every story. Congratulations, Antithesis, no matter how long you stay!

Our purpose as a library club is to serve the students and faculty that come to the library. The student librarians assist in making the library a place for everyone to use. Student librarians aid other students in finding their needed materials.

Student librarians stamp out books for home reading. Another duty is helping a fellow student locate a suitable magazine article. Still another duty is returning books to the shelves and putting them on their right order. Somewhere in the room the librarian is supervising all of these activities and helping students with their individual assignments or needs.

Junior Achievement is an organization for students of all the area high schools who want to learn more about how a business is run. Students are split into various groups, each sponsored by an area business. Each group is considered a company. This company has officers, makes and sells products, sells stock, pays salaries, and does practically anything a business would do. At the end of the year, the company liquidates, and the personnel of the company find out how successful their business was during the year.

Junior Achievement also sponsors picnics, area conventions, dances, and a National Convention. Most area schools consider this a school course and credits are given at the end of the year.

STAB stands for the Student-Teacher-Administration Board, a group of select students, teachers, and administrators. Organized to hash out school problems, it usually serves as a place for the administrators to spout off. Earth shaking topics discussed so far have included the smoking lounge, dances, and the fact that the library is never quiet.

Ski Club is one of the largest clubs in the school, having a membership of over one hundred. It is also the most expensive club in terms of the activities involved. The high cost is worth the satisfaction of making that run, or for the beginner, making it down the bunny slope without throwing your back out or breaking a leg.

Ski Club brings to mind rides up to Greek Peak in the dark, with near blizzards. Cramped in a sometimes cold—sometimes boiling school bus with fifty other half asleep skiers.

It is waiting for the last member to get on the bus at the end of the day, so we can leave Greek Peak. It is finding out one member is still on the slopes, and having to wait for him. Therefore we're late; so no trip to McDonalds in Ithaca. Ski Club is the fun of learning to hot dog, to parallel, perhaps to "snow plow". This club probably has the most fun—and certainly the most head colds, of any club in school.

Science Club

Sitting Clockwise: Tom Mitchell, Brad Wilcoxson, Mark McConnell, Howard Kanter, Dave Sliwa, and Chuck Olin. Standing: Janey Doughty, Jim Culberson, Dave Williamson, Bob Bottcher, Bill Benedek, Bob Benson, Mike Petit, Mr. Josbeno, Carol Range, and Duane Limbacher.

Science Club is for those students with a sincere interest in science, either as a hobby or as a prospective career. Besides sponsoring a computer course, the club also takes numerous field trips to hospitals, plants, etc. Thanks to local industries, members of this club get some personal experience with scientific apparatus.

Av Club provides service to students and faculty of the AV nature—distribute equipment and operate equipment when needed. They provide students to work backstage and in projection booth for programs sponsored by outside organizations in the high school auditorium.

Last year new spotlights were purchased through the auditorium fund which the AV Club sponsors. This year a communications system has been purchased. We are now working to purchase a new screen.

The 1st annual Indoor Carnival was the initial project for the auditorium fund this year. The club sponsored a dance early in the year. They also hope to show a movie some Friday evening. Also, they will sponsor the 2nd annual Cupid's Night out Feb. 15, 1975, which is a semi-formal dance.

Things have definitely changed for the better in the Student Store. One can usually go down to the store to make a purchase and find the store open. Towards the end of last year the store started to sell candy and gum. The selling of gum quickly stopped as soon as it was found in sinks, toilets, desks, chairs, etc. Candy has been the store's most popular product. We congratulate the store for improving its service and ending before-lunch hunger pains.

The Varsity H Club was started this year consisting of both boys and girls who had received a varsity letter or have had two years on a varsity team. This year the club has had two bake sales, a raffle for a stereo, and a dance. Varsity H also co-sponsored with the student senate the Homecoming Dance, which was a big success.

Middle Row: Terry Burlew, Dave Wisneski, Vicki Gray, Mrs. Bennett, Linda Personius, Bill Benedek, Billy Jansen, Tim Murray, Jane Hathaway, and Mike Novakowski. Back Row: Kevin Bruns, Margaret Ball, Anne Rosebrook, Gail Smith, Sue Lafky, Debby Dix, Sharon Hickey, Cathy Lovell, Kim Holmberg, Cindy Zenker, Cindy Wheat, Karen Said, Lynn Nist, and Carol Garlick.

Senior Council is simply a group made up of seniors, a representative and an alternate, from each senior homeroom. They are supposed to be the representatives of their own homerooms and are supposed to reflect their homerooms' ideas at their frequent morning meetings. The Senior Council has helped in the organizing of the annual magazine sales, and generally makes the decisions that affect the whole senior class.

Student Senate

Front: Dave Wineski, Martha Minier, Keith Mach, Debra Ray, and Bob Bottcher. Back: Karen Said, Lynn Butler, Kathy Seeley, Leslie Moreland, Norma Scherer, Chris Dennie, Jocelyn Buck, Terry Pelkey, Rebecca Butler. Advisers are Mr. Garlington and Mr. McInerney.

The Student Senate is a new approach to student government. It consists of five seniors, four juniors, four sophomores, and one Boces student. With less people than the Student Councils of previous years, the Senate is supposed to operate more smoothly and efficiently. As of the time of this writing, they have sponsored Homecoming—and did an excellent job. We hope this new organization is more active than the previous Student Councils were.

Row 4: Wendy Banfield, Larry Turner, Gail Plummer, Gary Turner, Sue Liberatore, Steve Heyman, Carol Scarbough, Mike Cruttenden, Karen Johnston, and Gary Allen.

What group gets out of 50% of their classes for things like unloading fruit from trucks, rehearsals with famous jazz labs, and more? What group went to the Eastern Choral Directors convention in Boston and received a powerful standing ovation after a well performed choral program? And what group will, by the time this yearbook is published, have hopefully sung at the National Choral Directors convention in St. Louis (which means more fruit and jazz labs!). No one else but the Chamber Singers, the very successful choral group filled with 52 golden voices with dollar signs in their eyes!

Band Trip

In May 1974 our Horseheads High Wind Ensemble and Stage Band went on a concert tour in Delaware. While there, they played a total of seven concerts. Besides their main goal of performing concerts, the band also visited Dover Air Force Base, several Delaware beaches and Independence Hall in Philadelphia. All band members agreed that the trip was enjoyable and a tremendous success.

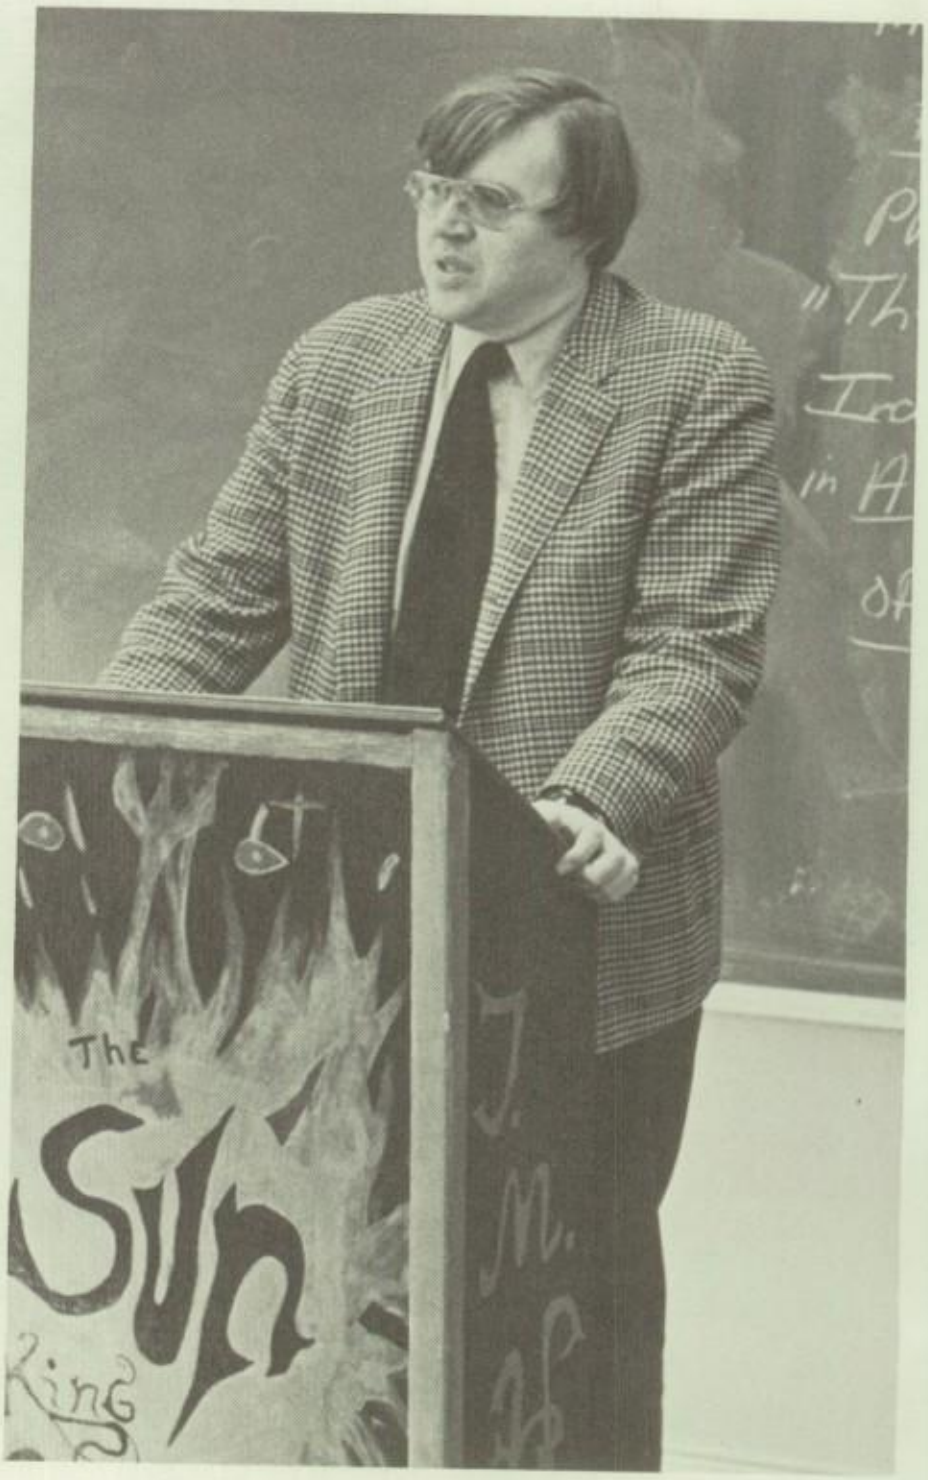
DEDICATION



To Eugene Debs, Wm. Jennings Bryan, Theodore Roosevelt, George Eliot and (somehow) Richard Nixon, we make this tribute. The halls of the East Wing often resound with echoes of the past—recreated with true distinction by none other than the Dubious Duo of the history department—Messrs. Horigan and Callahan (Callahan and Horigan if you prefer). Sharing their overwhelming abundance of knowledge with their students, in the form of a speech or even a song, has by no means been the extent of their offerings.

They have given to Horseheads High School something that no other school can (or would dare) boast of—the one and only Irish Cultural Enrichment Program. Through growing interest and groundswells of support and appreciation, the Program rose from a classroom St. Patrick's Day party (brawl, if the truth be known) to an honest-to-God full-fledged administratively approved assembly. "Fools" some have labeled them; they have demanded no approval. Instead they have offered a chance to take life a little more lightly and make school more bearable. Why do they bother? Because they enjoy it; they find no wrong in evoking a smile or a laugh (or in singing a little out of tune). In essence, their colorful personalities, coupled with some rather unique stage renditions (who could forget "Strange and Unique Happenings in Animal Husbandry"?) have given a rare boost to school morale.

To these men, education is important; history—American History is MOST important. But useless unless their students can relate to it—if that entails recreating it, they do. American history is ALIVE in the East Wing. In addition, to them life is worthwhile—they appreciate a good joke and a good argument (matter of fact, they even disagree on a few things—believe it or not). But school can get monotonous so they merely have offered themselves—as crazy a pair that could ever stride these hallowed halls. What more can we say? Just join in gang, and lift your glasses high—

"For it's no nay never . . . " Will we ever forget you . . . or Eugene . . . or Bill . . . or Teddy . . . or . . .

"Some of the best educations include 2 years of Army."

Let's face it. Not everyone wants to step right into college after high school.

Maybe you'd rather wait a few years. To travel, to learn a skill, to find out what you can do, to mature.

For you, today's Army can be a meaningful alternative to college.

We offer challenge. Physical and mental. We offer over 200 job-training courses to try out for. And we offer a choice of geographical location.

If you decide to start college while you're in, we'll pay 75% of your tuition. And when your enlistment's over, you'll be eligible for 36 months financial assistance at the college of your choice.

Join the people who've joined the Army.

You were my friend, dear old Horseheads High,
but you were my enemy too.
There were many times I really hated you,
but what could I do?
Your desolate walls and jam-packed halls,
not to mention your inane rules.
But, without you what was I to do?
Now that it's time for me to go,
I'm getting very blue.
Yes, you were my friend, good ole H.H.S.
